

Radiance Interview with Joel Silver and Ray Miller

In this interview, Jeff Murray sits down and discusses several topics with two veterans of the custom install market, Joel Silver and Ray Miller. Joel Silver is the president of the Imaging Science Foundation. Ray Miller is a manufacturer's representative and custom installer of high end systems in Florida.

In these two segments, we will hear their views on several topics like:

- The state of HDTV sets
- Bringing the digital cinema experience to the home theater
- How the Radiance Video Processor helps the custom installer
- And much more

Don't miss this opportunity to hear some inspiring words from some of the industry greats!
